TO THE CITIZENS OF DERRY

The following reports and summaries of the several departments and their activities are assembled to better acquaint the voters with the operation of their town.

Your Board of Selectmen spent many hours this year in a revaluation of real estate taxes. We increased our valuation by 14% but our Town Budget was increased by 16% at Town Meeting - therefore, our tax rate remained about the same.

On May 5th our town became known as "SPACETOWN U.S.A." because of Commander Shepard's historical flight. The Board would like to publicly thank all the people who worked so hard to decorate the town, etc., on this wonderful day.

We have started the Rollins Street Extension project and it will be finished in the spring. This, we hope, will help to alleviate the traffic on Broadway a little and also reduce the school transportation cost.

Our shoe industry is running fine and employs many of our people.

We have a new industry, the Derry Wood Products Co. moving into the former Derry Dressed Poultry building on Maple St., which expects to employ fifty or sixty people in the future.

We hope to have our main street paved in 1962.

We trust the following report will explain the operation of the Town to the taxpayers.

Respectfully Submitted
Alvin L. Johnson
J. Sydney Barlow
Donald Bentley

REPORT OF TRUSTEES DERRY PUBLIC LIBRARY

Sadness crept into our library this past year in the sudden death of our beloved librarian, Christian Feinauer Butman, (April 19, 1961) who was serving her second year in that capacity.

Mrs. Annie Ashton was selected by the Trustees to serve as our next librarian.

Mrs. Ashton was well qualified for the position -- having served ten years at Methuen library, Methuen, Mass. Also, she served four years at Lawrence General Hospital library for patients -- during which time she revised, classified and cataloged the medical books for the doctors' library.

Mrs. Ashton has introduced into our town library a new card system which is both efficient and time - saving. Also, she attended this past summer, Book Institute, at Simmons College for professional training.

The powder room was painted and a new mirror installed.

The cellar of the library was cleaned -- so as to give more space for book shelves and books. Thanks and appreciation go to Mr. and Mrs. Norman Ashton for labor involved and an interested friend who donated his time for the betterment of our library.

A new book slot has been placed on the library door for the convenience of our many patrons.

ANNUAL REPORTS 1961

REPORT OF LIBRARIAN

We are pleased to report a definite increase in both circulation and new registrations during the past year. It is interesting to note there has been a gain of over 800 juvenile books loaned, and a decided interest in adult non-fiction has been shown.

The Derry Reading Club presented two books of science reference material given in memory of Mrs. Christine Butman.

The State Library sponsored a "weeding workshop" at your Library in October, for the purpose of discarding outdated books. A second such workshop is scheduled for the near future; these prove most valuable to all concerned.

The State Bookmobile has visited the Library five times during the past year, with a total of 550 books being borrowed for our readers' pleasure and information.

We have made 58 specific requests to the State Library for student and readers having special assignments or interests.

The Arts and Crafts classes have resumed in the basement of the Library and are held weekly.

Cooperation with the schools has been excellent, with many teachers notifying us in advance of the projects to be assigned their pupils; this has proved most helpful to us, and provides faster and better service to the students.

The Derry Garden Club has provided the Library with beautiful floral arrangements and special decorations throughout the year, and is to be commended for their interest and artistic ability.

Our deep and sincere thanks and appreciation are extended to the many friends who have helped us in the past year with both gifts and services; we are very grateful for the many way in which we have been given help and encouragement.

We extend a most cordial invitation to the people of Derry to visit their Library and we hope they will find it a source of information and pleasurable reading.

The Library is open Monday through Friday from 2:00 until 8:00 and on Saturdays from 2:00 until 5:00

TO THE TRUSTEES OF THE TAYLOR LIBRARY

The circulation of the library increased substantially during the past year. The regular visits of the Bookmobile, the addition of the Reader's Guide, a readily accessible magazine reference file and many new books, all contribute to the increase.

National Library Week and Book Week were observed by displays of posters and new books. With the cooperation of the of the Principals of the Floyd and Grinnell Elementary schools, our library arranged to have the Bookmobile visit the schools during these weeks. The children were given a short talk on the functions of the Bookmobile and then were shown through it.

ANNUAL REPORTS 1961

The Christmas tree, decorations and special Christmas books were enjoyed by all our visitors. Once again, we thank Mrs. Walter Harding for the lovely della Robbia wreath that decorated our door.

We wish to express our appreciation to the Derry Book Club for the donation of two valuable Basic Science volumes and to the many other friends of the library for their gifts.

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual Town Report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your Town Report.

Sincerely, District Fire Chief

An Appeal from your Forest Fire Warden

In these days of constantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocket-book - yours and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control over lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness - our carelessness. This, we - you and I, can do something about.

ANNUAL REPORTS 1961

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations, hours, etc., governing the use of the town dump we are simply protecting yours and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you:

1. Follow the Warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.
